

HARDING SPEECH TO ATTACK WILSON POLICY ON LEAGUE

Expected to Bridge Differences
in Own Party in Accepting
Nomination To-Morrow.

MARION, O., July 21.—Senator Harding's speech of acceptance, to be delivered here to-morrow, is expected by his close associates to give prominence to the foreign policy of President Wilson and the League of Nations in such a way as to advance the campaign toward a squarely posed issue between the two political parties.

Those who know the mind of the Presidential nominee declared their confidence that he would make a declaration squaring with the party platform and the party record and bridging the Republican difference of opinion which threatened a split at Chicago.

The exact form of the declaration was not revealed, but it was said authoritatively that it would follow the trend of the Senator's recent statements on the subject and would be

particularly militant in its opposition to the Wilson policies, to which the Republican nominee regards the Democratic party and candidates as pledged unreservedly.

In addition to declaring unthinkable the acceptance of the League as the President fashioned it, the Senator is expected to express in direct terms his belief that America should not remain isolated and to take the position that the war's sacrifices will prove in vain unless there is established a new order with added security to peace and civilization.

It is regarded as unlikely that the nominee will enter into a detailed discussion of the League Covenant or will speak objectively of reservations or interpretations. He is expected, rather, to hold his utterances to the broad principles involved, linking his argument to a plea for American rather than world ideals.

He is believed certain to couple with this a declaration that the failure of the United States to accept Mr. Wilson's League will not be construed abroad as an evasion of duty, but will be interpreted as arising from devotion to the integrity of the Nation.

Senator Harding arranged to spend most of to-day in rest and recreation. He had only a few callers on his day's programme, which included another long automobile ride and a golf game.

**LEADERS OF G. O. P.
MEET IN COLUMBUS**

Confer on Campaign Plans and
Make Ready for Harding
Notification.

COLUMBUS, O., July 21.—Members of the Executive Committee of the Re-

publican National Committee, arrived here to-day for a meeting to discuss campaign plans before going to Marion to-morrow for the ceremonies at which Senator Warren G. Harding will be notified of his nomination for the Presidency.

Among the first to arrive were Will H. Hays, National Chairman and Senator Lodge of Massachusetts.

The Notification Arrangement Committee, headed by T. Coleman Du Pont, of Delaware, planned to meet following the session of the Executive Committee. This evening the members of the National Committee and other Republican leaders will be guests at a dinner to be given by Harry M. Daugherty, of Columbus, Senator Harding's pre-convention campaign manager.

Delegates Favor Bryan for President, but Friends Say He Would Not Run.

LINCOLN, Neb., July 21.—The Prohibition Party opened its thirteenth annual convention here to-day prepared to give over much of the three days of day and night sessions to jubilation over the downfall of John Barleycorn.

The delegates are almost unanimously in favor of William Jennings Bryan as their Presidential nominee, but Mr. Bryan's friends who claim to be speaking for him, firmly reiterate previous statements that he will not accept the nomination.

National Chairman Virgil Hinshaw called the Convention to order and told of the last plank in the Republican platform.

"According to the testimony of William Allen White and Reed Smoot," he said, "the Resolutions Committee

adopted a dry plank but it was lost on the way to the convention. The entire convention adopted by unanimous vote a law enforcement plank, but that plank was lost on the way from the National Convention to the Republican Party printing press and that declaration is missing from the platform issued by the Republican Party headquarters."

Aaron B. Wallace, of Germantown, O., who has twice been its nominee for Vice President, was elected Temporary Chairman.
